No Parking  
Private Property

**COMMONS PERMIT PARKING LOCATIONS\***  
These lots are available for Commons parking 24/7. Additional lots with restricted times are posted on Xavier's parking website.  
\*Vehicles parked in R3 and C4 are required to relocate during home men's basketball games and other events, per posted advisories.

# Vehicles may only park in assigned lots.

**Parking permits must be adhered to the passenger front window.**

Parking is not permitted outside of assigned lots. Visitor spots are reserved for visitor permits only. **A Commons Parking Permit does not guarantee the holder a spot in the Commons Lot.**

Parking is never permitted in areas assigned to other permit types.

Vehicles must be parked in a lined space at all times. Parking is never permitted along roadways or curbs.

Vehicles may not park in spots designated for specialty use: (handicapped, maintenance vehicle, etc.)

Permits are enforced 24 hours a day, 7 days a week, 365 days a year.

Violating parking rules will result in a citation and fine. Multiple citations may result in booting or towing of vehicle. **Fines are avoidable.**

## Visitor Parking

All visitors must have a visitor parking permit.

Visitors not in possession of a valid permit are responsible for all parking violations, vehicle boot fees or towing fees associated with their infraction.

Students are not visitors to the university and are never permitted to park in visitor spaces. Lack of a student parking permit does not qualify students as a visitor.

## University Station and the HUB

Parking is **NOT PERMITTED** at University Station or around the HUB. These parking spots are private property and are permitted and assigned to residents of University Station. Vehicles parked in these will be immediately towed. **Xavier University does not manage or have any involvement with University Station parking management.**

## Commons Parking Permit Information

***Upon purchase of a Xavier parking permit, you have acknowledged reasonability for knowing and abiding by all parking rules and regulations.***
