

FIVE STOPS ON THE ROUTE TO A SPANISH MAJOR

SPANISH 202 & 300

1

Successfully complete Spanish 202 and Spanish 300, your first courses for the Spanish major. If you place in 300, you do not need to take 202.

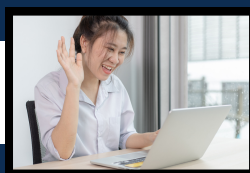

2 1 COURSE

Successfully complete one course between Spanish 302-310. You are beginning your journey toward increasing your Spanish communicative and intercultural competence.

3

5 COURSES

Successfully complete five courses in the range of Spanish 311-399. Though not required for the major, investigate a study abroad option for summer or the semester. Consult with your advisor.

4 2 COURSES

Successfully complete two courses in the range of 400-498 if you started with Spanish 202. If your first course was Spanish 300, successfully complete 3 courses in this range. Have you done an internship or summer research? Ask your advisor about the options.

5 SENIOR THESIS

Enroll in Spanish 499. Complete a senior research project and present your project to CML faculty and your peers. Your journey continues, supported by your global engagement experiences, enhanced communication and cultural knowledge and connections.
