Hello, Xavier Families!

From all of us here at Xavier University, I want to thank you for trusting us with your student. We don't take this responsibility lightly. In our commitment to your student and to you, we have put a wealth of resources in place to help you both successfully transition into the Xavier community.

I am here to be your advocate—to educate you and help you understand the experiences your student will face during their transition, and to support you so you feel empowered to guide your student during this time.

I will send regular communications including emails and newsletters throughout the year, as well as regularly update the content on our Parent and Family Hub. If you have not done so already, please take a moment to visit our Parent and Family Hub at xavier.edu/family-hub.

We look forward to supporting you and your student as you discover your place within our community, and we will be here to help every step of the way over the next four years. Welcome to the Xavier Family!
