

Giving the peace of mind to heal

 samaritanfundprogram.com

A serious medical diagnosis brings worry and anxiety. Unfortunately, much of that anxiety stems from the high cost of quality medical care. The Samaritan Fund Program exists to eliminate the financial burden of medical costs while you navigate a difficult journey, *giving the peace of mind to heal.*

“This is unbelievable. I never thought I would be able to get this kind of help. The medical bills have been rolling in for years with no end in sight.”

How it Works:

-  Complete a HIPAA Authorization Form. This ensures that your information is kept confidential.
-  A representative from the Samaritan Fund Program reaches out to discuss the program. If eligible, we help you select an individual medical insurance plan that meets your needs.
-  Once an acceptable plan is found, a formal application is submitted to participate in the Samaritan Fund Program.
-  If accepted, we help you obtain your new insurance plan and set up the Samaritan Fund Program to take care of the expenses associated with your medical care.
-  The program will be reassessed annually for eligibility.
-  Be at peace and heal.
