happy birthday

AT PSXU WE LIKE TO CELEBRATE BIRTHDAYS BY SINGING "HAPPY BIRTHDAY" AND EATING A TREAT. DURING CLASS, SEPTEMBER 3RD WAS KEVIN HUSS, OUR INSTRUCTOR'S BIRTHDAY. HAPPY BIRTHDAY KEVIN!

WELCOME OFFICER JEN!

Officer Jen, from the Xavier University Police Department, visited the PSXU class in September to welcome the interns to campus and to discuss campus safety. She reminded everyone to keep their valuables with them and to reach out to her or her department with any questions or concerns. The interns enjoyed meeting Officer Jen and learning more about Xavier University and what steps to follow to be safe while they are on campus. Thanks Officer Jen!

**THANK
YOU**

EXCEPTIONAL STUDENT ASSEMBLY

One of the roles of the Exceptional Student Assembly (ESA) is to "Have Xavier students serve as mentors of student interns enrolled in Project SEARCH on Xavier's campus in an effort to build social skills and increase campus involvement among individuals in the program." In addition, Exceptional Student Assembly assists Xavier students in developing skills to interact with individuals with disabilities."

The PSXU interns look forward to eating lunch once a week with the ESA mentors and participating in monthly activities with them as well. Our interns will begin getting together with their mentors in the next week or two. THANK YOU ESA!
